Diagram of a rectangular room with dimensions 25 by 14. The room contains several circular tables and chairs. In the top-left corner, there is a small table with two chairs, labeled '1' and $r=0.15$. Below it is another small table with two chairs, labeled '2.5'. In the center, there is a larger table with four chairs, labeled '3' and $r=0.15$. To the right of this table is a small table with two chairs, labeled '1'. In the bottom-right corner, there is a small table with two chairs, labeled '1' and $r=0.15$. The room has a thick black border. The dimensions 25 and 14 are indicated on the bottom and right sides respectively.

Diagram illustrating a rectangular field with dimensions 12 by 15. The field contains a 3x3 grid of circles. The top-left circle is labeled $r=0.15$. The top-right circle is labeled 2.5. The bottom-right circle is labeled $r=0.15$. The bottom-left circle is labeled 6. The bottom-middle circle is labeled 1. A horizontal line is drawn across the field at a height of 6 from the bottom. A vertical line is drawn at a distance of 7.5 from the right edge. A small circle is located at the top-left corner of the field.
